Policarta
PAPER TRADITION, PACKAGING INNOVATION

POLICARTAPACKAGING.COM

Serving A Diverse Set of Industries

Produce

What would you do with double the shelf life of your produce? Designed for you, our packaging with NoW® Technology, give you the certifications you need to make an informed decision.

Dry Pasta

Give the performance and aesthetic that you need for your products and brand. Excellent for puncture resistant and flow-wrap ability.

Bakery

You need a dependable supplier with your fast paced environment. We offer a variety of plain paper, to a greaseproofed paper, all the way to full poly lamination.

Rapid Cook

For your high temperature accelerated cook environments, our material allows for moisture release resulting in consistent and delicious meal every time.

Designed With You In Mind

Engineer Solutions by assessing your unique needs. By collaborating and taking the time to understand your business, we work with you to develop a production plan for success.

PAPER
TRADITION,
PACKAGING
INNOVATION

Policarta is a sixth-generation paper converter and packaging innovator. Acquired by AFC Renewable in 2020, we specialize in sustainable paper packaging for fresh produce, dry pasta, confectionaries, and baked goods, among other applications. Focused on technical advancements, our packaging has a positive impact on both customers and the environment. Policarta: Paper Tradition, Packaging Innovation
